

Fore Transportation Inc.

Mission Statement

The company will at all times respect and adhere to all governmental regulations (Federal, State, and Municipal) that fall within its purview of operations.

The company will promote the cities and states that it operates in, and will support US trade relations that are consistent with and promote welfare of our country and its people.

The company will be ethical and just in its dealings with vendors, suppliers, customers and company personnel. It will always recognize the rights of individuals and will espouse a sense of fair play.

The company requires its employees to respect the rights of individuals.

The mission of the directors, officers, and all employees is to promote and grow the company to the extent we fulfill our customers' needs and requirements, always operating in a safe and efficient manner, maintaining at all times that the customer is not an interruption of our job, but rather the reason for it.

Safety is paramount.
